

PRLEC Members of Misamis Occidental in “Bayanihan Spirit” to help fight against Covid-19

May 6, 2020 – TESDA Misamis Occidental as the Vice Chairman of the Poverty Reduction, Livelihood and Employment Cluster in Misamis Occidental, leads the distribution of another set of groceries and 5 kls of rice to the IP in Brgy. Liboron, Concepcion. Among the 11 barangays in Don Victoriano, Brgy. Liboron is also one of the priority areas identified by NTF-ELCAC.

The groceries and rice distributed serves as an immediate response to the needs of the community while trainings are still on hold because of the pandemic crisis we are facing. While many are losing their jobs and struggling to make ends meet during this crisis, TESDA Misamis Occidental wanted to make sure that the IP’s residing on the utmost and secluded area of the Province gets the services they need in order for them to survive.

The activity conducted is also in line with the “Bayanihan To Heal As One Act” enacted by the government which aims to respond on the urgent needs and efficient implementation of which will secure the success of the measures established by the national government in eradicating the threat to our national survival. The PRLEC Members present during the distribution were Vice Mayor Elmer M. Pondara , LT. Pabonita from AFP, PLT Marlon C. Subrian from PNP, Engr.Nino Tugonon from DILG, Dr. Eufraanes Jurnales, Municipal Doctor. Each agency expresses their commitment to support the government against fighting Covid-19 and in helping the members of the community by responding to their needs amidst this crisis.

According to Lt. Pabonito from 10th Infantry Batallion, the National Taskforce in fighting against Covid-19 will not stop serving and delivering the programs of the government to end this pandemic. The members of Poverty Reduction, Livelihood and Employment Cluster in Misamis Occidental will go hand in hand to resolve the issues and needs of the community and will commit to deliver the services needed especially in the area of Don Victoriano which is noted to have 8 barangays with higher poverty incidence rate.
